Cancellation Policy – Cars Coding Engineering LLC

At **Cars Coding Engineering LLC**, we understand that unforeseen circumstances may sometimes require the cancellation of your course registration. Below is our detailed cancellation policy:

1. Cancellation Period

- Cancellation requests must be submitted **in writing** to our customer support team within **5 days** of the initial course registration date.
- Cancellations submitted after this period may not be eligible for a refund, as per our current refund policy.

2. Cancellation Process

- To cancel your registration, please contact our **customer support team** via email or phone.
- Provide your registration details along with the reason for your cancellation request.

3. Refunds

- If your cancellation request is submitted within the **5-day period** and is approved, you will be eligible for a refund in accordance with our refund policy.
- Refunds will be processed as per the terms outlined in our refund policy.

4. Late Cancellations

- Cancellation requests submitted **after the 5-day period** may not qualify for a refund unless exceptional circumstances are adequately justified and approved at the discretion of Cars Coding Engineering LLC's management.

5. Confirmation of Cancellation

- Once your cancellation is processed, you will receive a **confirmation email** at the address provided during your registration.

6. Exceptions

- **Exceptional circumstances** may be considered on a case-by-case basis, subject to the discretion of Cars Coding Engineering LLC's management.
- Cancellation requests based on valid reasons, such as **unresolved technical issues** or **unforeseen personal circumstances**, may be thoroughly reviewed.

We appreciate your understanding and cooperation regarding our cancellation policy. If you have any questions or concerns, please do not hesitate to contact our **customer support team** for assistance.

This cancellation policy is subject to change without prior notice. Please visit our website for the most up-to-date information.

Let me know if you need further adjustments or additions!
